

## License Agreement

Developer is only willing to provide Component-2014 to you on the condition that you accept all of the terms contain in this Agreement. You accept all of the terms by installing or using Component-2014.

Component-2014 (exclusive of its physical packaging) is licensed. It is not sold, even if for convenience we make reference to words such as “sale” or “purchase.” Component-2014 is protected by copyrights and other intellectual property rights. You agree that all worldwide copyright and other intellectual property rights in Component-2014 and all copies of one, however made, are the exclusive property of developer. All rights in Component-2014 not expressly granted to you in this Agreement are reserved by developer. There are no implied licenses under this Agreement.

This agreement grants you the following rights:

- a) Installation and Usages - you may install and use one copy of Component-2104 on a single computer .
- b) Concurrent Use - a license for Component-2014 may not be used on different computers.
- c) Limitations on Reverse Engineering, Decompilation, and Disassembly - You may not reverse engineer, decompile, or disassemble Component-2014, except and only to the extent that such activity is expressly permitted by applicable law not withstanding this limitation.

Developer warrants that Component-2014 contained herein will, perform substantially in accordance with the accompanying documentation. Developer disclaims all other warranties, either express or implied, including but not limited to implied warranties of merchantability and fitness for a particular purpose, with respect to the Software, the accompanying written materials. This Limited Warranty is void if failure of the product has resulted from accident, abuse, or misapplication.

In no event shall developer be liable for any damages whatsoever (including but not limited to damages for loss of business profits, business interruption, loss of business information, or any other pecuniary loss) which results from the use or inability to use Component-2014, even if developer has been advised of the possibility of such damages.

When you purchase a Component-2014 license from developer, you receive more than the usual right to use the current version of the software. Along with a perpetual license to the current official version of the product, you receive the following:

- a) Unlimited access to software updates for one year from the date of license purchase, with no limit on minor or major release.
- b) Unlimited free technical support by e-mail for one year.
