⭐ GAME RULES
Wacky Mini Golf's rules are quite simple, you can select from 3 different game modes.

Try to finish each course with the lowest score possible.
Each stroke counts as one point. Each unplayed hole count as 30 points.
The winner is the player who completes the game with the lowest score.

Become a star catcher - catch each course's stars in order to proceed to the next hole. Try to finish each course with the lowest score possible. Each collected star removes 1 point from your score. Each stroke counts as one point.
Each unplayed hole count as 30 points.
The winner is the player who completes the game with the lowest score.

Get to the last hole with a limited number of strokes. Each completed hole gives you 3 more shots. Try to finish each course with the lowest score possible. Each stroke counts as one point. Each unplayed hole count as 30 points.
The winner is the player who completes the game with the lowest score. But watch out - run out of strokes and your game is over!
